

# What's Inside the Promo Kit: Trace5

**Trace5** comes with everything you could need for GPS tracker installation. Each box contains: **Trace5 GPS tracker, OBD harness, 5 zip ties** and a piece of **double-sided tape**.

**OBD harness** connects the Trace5 GPS tracker to the vehicle. It has two connectors – a 12-pin connector and an OBD2 connector. Simply plug-in the 12-pin connector to the tracker and the OBD2 connector to the vehicle and that's it – GPS tracker installation is complete.

**Zip ties** and a piece of **double-sided tape** are used to mount the GPS tracker to the vehicle.

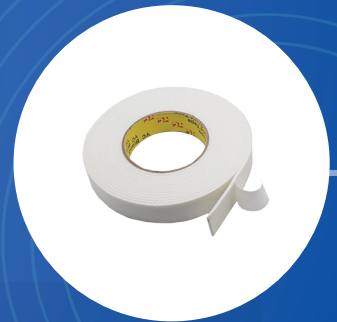

**With everything at hand, Trace5 installation is quick and simple.**

✓ OBD harness

✓ Zip ties

✓ Double-sided tape
